Newsletter by [Jillian Manes](#) on December 3rd, 2025

Hello to all of the club members of 2025. The shows are done for the season, and we are pleased to announce the year end award winners in the newsletter. We will have an announcement soon on either hosting a small banquet for the club, or if awards will be getting dropped off at certain locations. The club is giving out token awards to members that competed this season in a Michiana Dressage Club show. Any support is appreciated, and I feel strongly that there is a need for quality dressage schooling shows in our area. Moving forward with the club, most of the board member positions will be available for the 2026 year. I am needing to meet some family commitments, and will be stepping down as president. There is a great need for anyone looking to serve the dressage community by volunteering their skills and time. I highly encourage anyone that is looking to be more involved to reach out to me, or anyone on the current board. Congratulations to all of the winners for 2025, and for all of the competitors. We as a club appreciate each of you. Go out and hug your horse too! The equines are the reason we all do this wonderful sport!
